CATIA
3D Studio Max + Vray
Keyshot/Shot
Adobe Creative Suite
Final Cut Studio Suite
Autodesk Inventor
Autodesk Sketchbook Pro/Designer
Microsoft Office

Languages
Fluent Norwegian & English,
Limited German

Interests
I love mountain biking, skiing and skydiving. I love food, brew beer and I'm still looking for the perfect cup of coffee. I am obsessively curious and have a contagious positivity. I am fascinated by science and technology for their power to change the world, but I also feel an obligation to create human value out of their complexity and foreign nature.
